"What is this life if, full of care,
We have no time to stand and stare?"

This well known quotation by William Henry Davies came to my mind at our Picnic this year as I stood amongst my family and Unit Association friends.

Jells Park, a lovely location, was being enjoyed to the fullest by all manner of groups of people and I was so glad that I'd made the effort to attend. It does you good to make the time to "Stand and Stare" once in a while and it helps others enjoy themselves too.

Although there were only fourteen members, the total number was swollen to about sixty when families were added plus our Life Member Glad White.

The fourteen members were:-

Ted Young, Ern Strevens, Bob King, Les Sanders, Wally Bryan, Doug Clemens, Des Rea, Bill Shepherd, Harold (Tac) Grundy, Roy Dickson, Watty Tully, Jeff McGill, Eric (Serg) Williams and myself.

It was great catching up with Les Sanders again, and with he, Sergie Williams and myself being "Reos" from the 4th it seemed natural that the football match between the 4th and the 10th was well discussed - Do you remember when!!!!

The Picnic will be held again next year so make sure you have time to join in.

ARRANGEMENTS FOR ANZAC DAY 1985.

Anzac Day falls on a Thursday and Easter will be well over before this newsletter arrives so there should be nothing to stop us having a bumper attendance at both the March and Reunion Luncheon.

ARRANGEMENTS FOR ANZAC DAY 1985. (cont)

The March commences at 10.00am and the order this year is:- Airforce, Navy, Army, which means that you can have an extra half hour in bed! We will start assembling at 10.30am in the usual place ie. in Collins Street on the North Side in front of Allan's Music Shop (which I presume is still there!). Our unit Banner will be easily seen.

Our Reunion. Same place as last year ie. Motel Palm Lake, 52 Queens Road, Melbourne. This is opposite Albert Park Golf Links and the Melway Street Directory reference is page 58, A, 5. It proved to be a very good place last year and should be even better this year because we have booked the Cedar Room which we will have to ourselves. There is no increase in price, just \$12, which in this day and age is a "steal".

The Afters. The "Fawkner Follies" is on again thanks to Marj and Bob King and their band of helpers.

HIGHLIGHTS OF 1984 REUNION.

Thirty-four members marched with Mick Dunn in the lead. Conditions were near perfect and the Oakleigh City Band greatly assisted our marching. To the usual group of supporters on the Bridge we say "Thank You".

Forty-eight members attended the Reunion Luncheon and as usual a warm friendly atmosphere prevailed. The "Toast to the Unit Association" was given by our "old" staff Sergeant Ien Martin who had obviously put a lot of thought into the preparation of his Toast.

He described our Unit as unique, the dictionary definition of which is "having no like or equal" which he said certainly applied to the 10th. The 'family' influence meant that many young men of differing ideals and beliefs were able to not only work together but also support and tolerate each other. He mentioned the influence of our two Commanding Officers, Colonel Stan McKenzie who taught self discipline and the use of our skills (though none escaped his wrath) and Colonel Ted Palmer a great leader yet a man of compassion. Ien recalled the March from Seymour to Bonegilla and particularly the very cold night spent in a Pine plantation at Beechworth. He mentioned also the Unit's involvement in both Air and Sea evacuation work and the Camp Hospital which we built and ran at Oro Bay bringing distinction for our nursing of Scrub Typhus patients.

Ien concluded by saying that all too frequently these days there were those who questioned "Why Anzac Day" - "We know why and we must continue to meet and remember our mates for as long as we can".

The President Mick Dunn responded on behalf of the Association thanking Ien for his Toast and thanking members for being present to remember.

LEGACY.

Following our usual custom the meeting agreed to a donation of \$50 to Legacy.

Reports were received from Jeff McGill on behalf of the Social Committee who particularly thanked Joe and Sylvia Strudwick for the Yarrawonga weekend; and Noel Norton who gave the Welfare report in the absence of Jack Bacon.

LIFE MEMBERSHIP.

Mick Dunn proposed and Alan Sharp supported him that I be made a Life Member of the Association for work in producing Tenth Tit Bits over the years. Some very flattering remarks were made and I was presented with a very nice silver tray suitably inscribed to mark the occasion. This is an honour which I really appreciate and I thank all concerned.

INTERSTATE MEMBERS.

Murdoch McMillan and Bill Schlenker represented New South Wales and were the only Interstate members to attend. Bill spends time in both States these days.

LEST WE FORGET.

We sadly report the deaths of the following unit members:-

NEIL (BUNNY) KING	31/7/84		
GEORGE (SNOW WHITE) WILLIAMS		BILL STURGE	30/8/84
DR. JOE MANTON	30/5/84	JOHN (DOOLEY) GARLEP	11/10/84
LES (BULL) MARTIN	12/7/84		

We do not have the date of the passing of George.

YARRAWONGA '84.

It was the eleventh year the October weekend had been arranged and twenty-nine people put in an appearance sometime during those three days.

This year, the theme seemed to be "remember when". Remember the first dance?, it was so crowded it was 2.00am before we had a decent dance (how young were we then). Remember the long skirts we wore. Remember the R.S.L. dances - how we all danced. This year the only two couples to grace the dance floor at all were the King's and the Rea's - just to show us all they hadn't forgotten how.

On the Saturday Joe Strudwick arranged a bus trip - a tour of Yarrawonga, on to the wineries, (two) then Corowa to visit the R.S.L. club for lunch, then to the Golf Club for a look around or to play the pokies. Not many took advantage of the time for pokies this year - the machines weren't playing fair.

Back home to a Barbeque tea followed by a film night, shown by Des Rea, of all the "Yarra" weekends plus the picnics. Huddled in two's and threes under blankets etc (anything to keep warm) we had a great time laughing - at ourselves I guess.

Some of us have been through thick and thin (fat and slim) together - more thick than thin I'm afraid.

Sunday, as usual we put in an appearance at the fete, to have lunch and a look around, then home to rest or "whatever". Not everyone was tired judging by the men's laughter coming from one unit.

The meal that night consisted of sandwiches made by some of the ladies followed by cakes and "cuppas" until all hours.

Some stayed at the Motel until the Monday and spent a leisurely time in the sunshine until it was time for us all to wend our separate ways home.

Thanks to Joe, who was our coach driver this year assisted by Bob.

It was good to see Jock and Maisie Drysdale and Bob and Merle Crawford. Anyone else interested in joining us during these weekends please ring Bob King on 359-6612.

Usual gang present were:-

Bob and Mary King, Jeff and Marg McGill, Des and June Rea, Gerald and Rona Frogley, Joe and Sylvia Strudwick, Bill and Joyce Shepherd, Eddie Tyler, Les and Lyn Williams, Phyll Lovett, Neville and Nancy Stevens, Roy and Pat Dickson, Peg and Watty Tully, Bert and Margaret Capes and Yours Truly - June Stiglich.

The President and Members -
10th Field Ambulance Association.

Dear Friends,

Thank you for the card with its message of caring and sympathy.

Although Harry (Joe) did not maintain any active connection with your Association, he often spoke to me of different people he worked with in his Army days. I know he remembered them with considerable esteem.

Thank you also for the offer of help in the words printed on the card. I am all right, at present, and have good neighbours here, and though I shall leave this isolated area, its too early to do so yet.

Sincerely,

IRIS MANTON.

Dear Mr. Laidlow,

I was very pleased to receive the Newsletter and read the "Tit Bits" from the 10th Field Amb.

There were many names and incidences that I can recall Jack having mentioned over the years.

It is also sad to read in the Newsletters I have recieved, of former mates and friends who have passed on.

Thanking you,

I remain yours sincerely,

WYNNE WENKE.

April 13, 1984.

Dear Noel,

Thanks to everyone for the latest copy of 10th "Tit Bits" - brings a smile every time I write that. It makes for very nostalgic reading particularly from one so far from "Headquarters" and its always sad to turn to the last page - but there is also a lot of bright and gutsy stuff in the middle which rekindles faith in human nature.

Apologies that we won't be able to get down this year and trust that all Members have a mighty day which seems to happen always come hail or shine.

I felt Unit Members would be interested to hear that I had a "Can" with Geoff Flower a couple of weeks ago - he was looking at property here on the Coast as believe it or not he had at last accepted a good offer on his Farm. Anyhow he reckoned land here is too dear (I agree with him) and has purchased a place in Armidale which means that it's only about 3 1/2 hours from here anyhow, when he feels like a week or two on the Pacific.

For your records his address is now:-

Mr. G. Flower
38 Dalton Drive,
ARMIDALE. N.S.W. 2350.

Cheers and good luck for the 25th.

JOHN COX (Horror)

Thanks John - Hope you can make it this year.

April 25, 1984.

Dear Noel,

I feel it is my duty to report to our Unit on the presentation that the 10th Aust F.A. A.I.F. had received during the "Anzac Day March" today.

I was, as I had written previously, unable to get up to the March owing to the illness of my wife.

Well Noel, I sat and watched the March on Tele as well as having recorded it on my tape recorder just in case I had missed the reporting of the "exploits" of our unit.

Now Noel when the Unit went through, the Channel 2 camera just swept passed our Unit without showing the Units banner on the screen, but I did catch the person of Murdoch McMillian on the screen, that is if he was down from N.S.W.

I am perfectly sure, that our Unit's Officers could make a very good story briefly of our Unit's participation in various areas of New Guinea that we had been engaged in during the time we were up there.

Observing the March it was quite evident that the Channel 2 announcers had quite a lot on some Units and others never got a mention.

I would suggest that some representation be made up by the Officers, re some "down to earth facts" for broadcasting of the Unit's activities etc.

If this was the case it would give the activities of our Unit a great lift in the face of the general public who watch the March on T.V.

I had felt like writing to you and giving you my views on the whole aspect of the March generally.

Thanking you Noel,

I am sincerely yours,

ROY F. McKIM.

Roy - I can assure you that the Unit details have been sent to the T.V. people both direct and through Anzac House regularly. Lets hope that we get a better coverage this year.

May 4, 1984.

Dear Noel,

As usual, I was glad to receive a copy of "Tit Bits".

This year I was in Sydney for Easter, staying with friends on the Banks of Pitt Water, near Church Point. Very restful and beautiful weather except for Good Friday, when it poured. We had two very good meals at the hotel at Maida Vale - highly recommended Carvery.

On the way over we stayed with Tommy (Peter) Lyttle at Goulburn. He has had replacement operations on both hips and is getting on well now. He has retired from practice and is interested in the Historical Society. His wife Pensey is well.

On our return we stayed overnight again, this time at their "shack" at Brownlee on the South Coast.

We were most impressed by the Condition of the Hume Highway in N.S.W. A tremendous amount of rerouting, resurfacing etc., has been done and is progressing.

In Victoria, freeway now reaches from Kal Kallo, bypassing Broadford, Kilmore, Talarook, Seymour and Avenal. No petrol for 150 km!

I am still working part time all medico - legal for Workers Compensation and 3rd party Insurance claims.

Best wishes to all the "lads".

Sincerely,

EMMET SPRING.

No petrol for 150km's! That must have been a strain on the Rolls!! Thanks so much for your letter and the news of Dr. Tommy Lyttle.

Dear Vernon,

Always pleased you remember us foreigners up here, with the Sub. Notice and the famous annual "Tit Bits".

Sub. still only \$3?? And giving membership in one of the most elite groups in the world! Enclosing my cheque with a little bit added.

Congratulations and thanks to all you lot who keep the works going.

Regret I could not make it again this year, but here's hoping for next year.

Regards to all, good health etc. as well.

Sincerely,

WAL PAGE.

Thanks very much Wal - It's good to get a "Page" from you!

Southport,
QUEENSLAND.

June 29, 1984.

Dear Vern,

By way of being a financial member, at least, please find cheque enclosed - and trust this finds you well.

Once again we are enjoying a long leisurely holiday up here, but must get back to the realities of life in Melbourne next month - and stop swimming!

In his Bits and Pieces I notice Ron Woff calls for some reminiscence on those days together around here. One chief impression lingers of the cool nights and warm sunny days, which still obtain, and which must first have sold me on this country. The beer too tasted good in the old Southport pub, gazing out over the Broadwater and not a High-rise in sight. As for the bivouacs, I'm inclined to think that the average Army bivouac is somewhat like overseas travel - full of discomfort, alienation, delay, and the capacity to be fractured by experts!

One memory stands out, of a footy match at Beaudesert I think and something of a big deal, involving Division I feel. Anyway I played at full-back which could account for the game being lost, although I do have a recollection of a Sir Henry Newbolt touch when "his Captain" (Emmett Spring) said "you played a good game Syd". I couldn't have walked taller if Macarthur had given me a Purple Heart.

And that dear comrades was how the Brisbane Line was held.

Regards,

SYD BIFFEN.

Let's hope you have stirred another member into writing Syd - much appreciated.

Dear Ron,

Hello Ron. Hope you are well.

Noel Norton told me that you are now a retired man. I can't believe that one "so young" could be retired but if you are I hope you are enjoying the life as much as I am.

I have just returned from 10 months in the U.S.A. Somehow I missed getting a copy of 10th "Tit Bits" this year and I missed it. Probably my fault as I moved from Hawthorn to the above address in August 1983 before going overseas in October 1983.

I thought I notified my change of address to one of the 10th F.A. executives but I may have not done so. Anyway, if you have a spare copy and could mail it to me I'd be much obliged.

I hope that you and your loved ones are well.

Kindest regards,

Yours sincerely,

NEIL GERRAND.

Yes Neil - am enjoying retirement and I can't imagine how I ever had time to work, hope this year's T.B.'s arrives safely.

October 8, 1984.

Dear Noel,

I am writing (don't faint) actually it is "Thelma" Stan's wife doing the writing as most wives are left to do, to let you know that we have finally moved from Oakleigh to the above address.

Being a Painter by trade since the War, I finally made up my mind that when I got around to painting my own house inside and out that I would sell it as I'm not as fit as I used to be (who is) and found it getting a bit too much on upkeep and maintenance. We were there for 34 years. It was a weatherboard going on for 80 years old, so we finally decided coming out here to a small B.V. 10 year old home. When we finally get settled I think we should like it here.

Now, don't forget my change of address for my Newsletters as I enjoy reading them. Also should you or anyone be near this area I would enjoy a visit from you.

Best wishes to all,

Yours sincerely,

STAN HERBERT.

Thanks Thelma and Stan - missed your smiling faces at the picnic this year.

January 24, 1985.

Dear Noel,

I am unfortunately still unable to attend the annual "do's" as I am more or less still tied up looking after my wife, who has lost her memory and reasoning and as well as taking a lot of time looking after her meals, washing and changing clothes etc.

Her 81st birthday is next month and of course I just can't leave her for very long.

Like a lot of our own chaps we are all creeping on in years, I'm 78 this month Noel and at present I feel very fine indeed as well as being in very sound health, since the Doctor a few years ago cleared up my hay-fever and the asthma.

All the very best for the 17th and I do hope that you will all have a very jolly day, a very happy time had by all, as well as a good day.

Faithfully yours,

ROY F. McKIM.

P.S. Regards to all the "Boys" of the 10th.

Thanks once again Roy.

P.O. BOX 103,
YARRAWONGA.

February 15th, 1985.

Dear Noel,

Wonderful hearing from you Noel - but you sure have given me a fright, asking me to prepare the "Toast to the Unit", you have spoiled a good day for me. However it is such a great honour and privilege to be asked to do it, how could I say no. I guess I will think of something to say. Please convey my thanks to the Committee.

Noel, you asked me to confirm the dates for the Yarrawonga weekend, it commences on Friday 25th October, 1985. Mulhaven Motel has 12 units, 10 of which have been booked by our members, the other 2 are being held for us also but no deposits have been paid on them - if anyone wants them they should advise me or the Manager, Mr. Brian Taylor or his wife Gladys by July 1985. There will be plenty of other accommodation available in both Yarrawonga and Mulwala, but it should be booked in advance because it is a very popular area. I will be available to help you anyway you like up to July 14th. After that date I hope to be caravanning around Australia for a year or more with my wife.

One of the ten units booked is in my name but I hope I get away and have to miss the weekend. I have been trying to get away for several years but something always stops me. I hope it doesn't this time - perhaps we may be able to be in Sydney at the time of the visit and meet those going.

Noel, sometime back I had a visit from Les Sanders and his wife Shirley, it appears he has had no contact with the unit since discharge - he looks well and is retired now and seems keen to renew old ties - he lives at 4 Larbert Road, Noble Park.

I'm sure he would like some contact such as 10th "Tit Bits" etc. and information about the dinner. Bob King may have already passed this message on.

Noel perhaps I should advise the phone number of Mulhaven Motel. In case someone wishes to ring them it is (057) 441 764.

Regards for now,

Yours fraternally,

JOE STRUDWICK.

Now that everyone knows who is to propose the toast to the Unit this year we'll have a record attendance Joe. Hope your trip round Australia goes well and that you can see some of the Interstate boys.

Dear Noel,

This seems to be the time of year when I should be dropping you a few lines as the "Tit Bits" should soon be on the go again and I am looking forward to receiving them too, it is good to hear how all the boys are going and what they are up to.

Am listening to cricket at the moment but it is a fairly hopeless game really, the Aussies have had it, I would say at this stage, the Indians are giving them what oh.

LETTERS FROM MEMBERS AND/OR WIVES (cont)

Kath and I went on a trip to Darwin, a bus tour with Australian Pacific Tours, 23 days, and what a great experience too. Left here and went to Leeton first night, then Mildura and Port Augusta and then up the centre to Darwin. Came back through Mt. Isa, Bourke, Dubbo etc. We also motored up to Rockhampton to a wedding in October and that was really a good trip too, went out through Inverell, Goondawindi, Miles and Mt. Morgan and we came back a different route and arrived on the Sunshine Coast for a few days. We called to see Horra Cox but as usual he was out playing golf, saw his wife and she gave us message as to where he was. We called at the Golf Club at Kew and we saw him for about 10 minutes, he was playing with the FUZZ I might add, he looks well too. He told us that Geoff Flower is now living near Lauriton too, we did not see him though. So much for tripping around, the next trip will be to Melbourne for the big day so hope to see you on on the 25th.

I do not see any of the gang here, I did see Roy DeJarlais last week, we were playing Roselands in prepennant trial (Bowls of course), Roy was there and I had one or two cold ales with him, he looks well but is having some eye trouble at present. What a terrible day here yesterday, 38 deg and bush fires everywhere, I was playing bowls, first round of pennant and I can tell you we had a rough time as wind was very strong too and hot.

We went to "Moscow Circus on Ice" and what terriffic show it was, it finishes today, 12,000 there last Sunday so they had a good following.

Kath has been slightly handicapped the last few weeks, we went to Old Bar Beach near Taree for Xmas and she had a fall and broke a bone in her right leg near the ankle, coming good now so should be fit and well by 25th. Indians 109 for no wickets so it looks like curtains for the Aussies in this series eh?

Well Noel, not much new around here so will close now and do hope all are well down your way and am looking forward to the 25th, all the best mate. Please find sub. enclosed.

Yours sincerely,

MURDOCH McMILLAN.

Thanks Murdoch for another Newsy letter your interstate news is really appreciated.

BITS AND PIECES

We are indebted to Dick Holmes for the following giving details of three ships which on which we travelled. There must be a few stories to be retold about our trips on these Ships. Come on now - Dick has started it who will follow on?

19th July, 1983.

Mr. R.O. Holmes,
58 Belgravia Avenue,
BOX HILL NORTH. 3129.

Dear Sir,

We have been able to identify the vessels mentioned in your letter dated 13th July. The "Maetsuycker" and "Both" were owned by KPM (Koninklijke Paketvaart-Maatschappij = Royal Packet Navigation Co.) who used to run liner services within and around the (then) Dutch East Indies. The "Klipfontein" on the other hand belonged to the fleet of VNS (Vereenigde Nederlandsche Scheepvaartmaatschappij = United Netherlands Navigation Co.).

BITS AND PIECES (cont)

KPM merged with Royal Interocean Lines in 1966 and four years later RIL as well as VNS amalgamated with two other shipping companies to form the present-day Nedlloyd Group.

The following particulars will be of interest to you:

mv Maetsuycker built in 1937 of 4131 GRT was sold in 1960. She was of an advanced design "with mechanical ventilation, smoke detectors and echo sounder".

ss Both built in 1931 of 2608 GRT and sunk at Padang during Sumatra rebellion on 16th April 1958.

mv Klipfontein (II) built in 1939 of 10,544 GRT, twin-screw 17 1/2 knots. She and her sister ships saw much service in the Pacific, carrying troops. Foundered off East Africa in 1953 after having hit a submerged object.

Unfortunately we are not in a position to supply photographs of these ships. You might try to buy them from members of the World Ship Society or from the Nautical Museum, Kattenburgerplein, Amsterdam.

Yours faithfully,

Koninklijke Nedlloyd Groep N.V.

Central Public Relations.

Treasurer Vern Laidlaw wishes to acknowledge contact and support from the following members:-

Charley Chitts, Charley Reddings, Merv Blow, Dr. Ted Lee from Claremont W.A., Dr. Bill Brand, Dr. Ross Hayter, Dr. Alex Reith, Alex Murphy, Jock Roe and Ray Meadows.

We have lost contact with Ray Frith, his letter addressed to Macclesfield was returned unclaimed. Also Laurie Peverill has moved from Benteigh and we've lost him too.

Heard that Bob and Merle Crawford have defected to a warmer climate but their new address is not yet known.

Ted (Bluey) Young has sold his Menswear business and retired. He says that he won't be able to arrange to have the Oakleigh Band March so close to us now!

Found out that Ted Donovan's trip to U.K. and Europe last year was a combination of business and pleasure - He reckoned that he had been so successful in the eradication of the European Wasp that he had to bring back a fresh supply!

That's all for this year, hope to see you at the Reunion.

Cheers,

RON WOFF,
